Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: With regards to claim 1, the term "option" was discussed and noted to be broad, and therefor Shmueli taught the limitations. In particular, element (c) was noted. The examiner supplied further citations to support th teaching of element (c) in Shmueli (see at least: 0031, 0037, 0039, 0061-0062, Fig. 3B).

With regards to claim 18, the Examiner noted that claim 18 was missing critical steps in order to connect elements a and b. Also, Shmueli in view of Bishop was noted to not teach the limitations of claim 18, however, no agreement was reached. .
